## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance: in the environment of transmitting a remote control device code, the closes prior art Arnold '115 discloses a data input for switching between sets and subsets and selecting an item from a predetermined set of item. However, Arnold fails to teach or suggest the remote control's transmitted code comprises the output of a switching means and the output of an item selecting means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Kawajiri '556 discloses a dual signal transmission process to control a device and Kemp '634 discloses the use of remote control devices comprising a display screen for selecting items and commands from images displayed.
